

Performance der Global Internet Leaders-Fonds (01/2019 - 05/2020)

Source: Bloomberg

Notes: All data is rebased at 100 as of 02-Jan-19 and shown in local currency. Fund performance is based on the I-share class of the Global Internet Leaders SICAV-FIS and the R-I share class of the Global Internet Leaders 30 Fund. Both are shown net of fees. Past performance is no indication of future results. The US Internet Stocks benchmark is represented by the Nasdaq Internet Index. The China Internet Stocks benchmark is represented by the Kraneshares China Internet ETF.

/ Disclaimer

This presentation is a marketing communication by BIT Capital GmbH ("BITCap").

Past performance and other historical data is no indication or guarantee of future performances. Information provided in this presentation has not been prepared in compliance with the legal provisions governing the preparation or distribution of investment strategy advice or investment recommendations.

The information provided in this presentation neither constitutes an offer nor an invitation to buy or sell any shares of the Fund ["Global Internet Leaders"] or any other financial instruments mentioned in the presentation. All transactions in shares of the Fund ["Global Internet Leaders"] shall be based on the fund's latest prospectus and the Key Investor Information Document together with the Fund's respective annual report and/or semi-annual report.

The information concerned and the respective documents are provided in German at BITCap at the following address: Rosa-Luxemburg-Strasse 2, 10178 Berlin. The aforementioned information and documents can also be requested in writing or by e-mail. The financial instruments mentioned herein involve significant risks including the possible loss of the amount invested as described in detail in the prospectus of the Fund. Investors should understand these risks before making any investment decisions with respect to these financial instruments.

The information provided in the presentation does not constitute investment advice. In particular, it does not take into account the personal circumstances of the recipients, their financial circumstances or investment objectives, if any, or on any personal circumstances known to BITCap. The information provided in the presentation does not replace any investment advice, which BITCap I otherwise expressly recommends prior to any investment transaction. Taxation implications for an investor depend on his/ her personal circumstances and are subject to changes.

This presentation may not be reproduced, modified or summarised, in whole or in part, redistributed to other persons or otherwise made available or published to other persons. BITCap I takes no liability for any disadvantages arising directly or indirectly from the distribution, use or alteration and summary of this information or its contents. In particular, BITCap I is not liable vis-à-vis third parties obtaining this presentation in breach of the provisions of this section.
